1. Attached please find a copy of a request for information on Daugavas Vanagi from the Department of Justice. By agreement between CIA and DOJ, we allow DOJ attorneys to review sanitized documents relevant to their investigation, i.e., documents concerning immigration to this country by subjects of their investigation. However, in order to protect Agency equities, it is important that we ascertain the nature and scope of Agency contacts with subjects of DOJ investigation and determine the extent of Agency files relevant to their inquiry.
